Hi Lorena-

Nice to see you at yesterday's meeting!

Jonathan forwarded a copy of your email (content below). I want to reference two points:

1. **August 30th Entertainment** - please contact Todd Caleca, Events Manager, Battleship Iowa (cc'd here) for any concerns you might have. He is responsible for booking the entertainment in the event footprint.
2. **Hotel Information** - I will be working on securing hotel information (discounted rates, etc.). Once I have that I will inform Theresa so it can be posted on the official LA Fleet Week website.

If you need anything else, please let me know.

Warm Regards,

Jenny Sova

Good morning,

I had a couple of questions/information.

TROLLEY

Who will ultimately be responsible for security clearance for the trolleys? Last year, there was a lot of confusion and changes to the route, mainly related to if they should come into the cruise terminal or not. I called all the changes "Fleet Week Flexible." Of course we will remain flexible again this year, but if we could solidify the route ahead of time that would be helpful.

We will also run the trolleys for the Welcome Party.

WELCOME PARTY

As requested, we will the "Hollywood" theme for this year's Welcome Party. The party will be from 5-10pm.

Can we put the Welcome Party on the website? We will provide you with details.

At the meeting they announced that the Battleship Iowa would have entertainment starting on Wednesday 8/30, the same day as the Welcome Party. I know that it is a sponsorship from Delta, but I would request that we coordinate so that we don't have competing entertainment.

VISITOR MAPS

We will once again produce a visitor map for the LA Fleet Week event.

HOTELS

Is someone working on getting hotel info for LA Fleet Week and putting it on the website? Just curious.
